## WORKSHOP

### THERAPEUTIC APPROACH AND OPTIMIZATION OF THERAPY IN IBD

Belgrade, Hotel *Crowne Plaza*, 22.9.2014

Guest speaker: **Yehuda Chowers, MD, PhD, Haifa, Israel**

|  |   |       |  |                             |
|--|---|-------|--|-----------------------------|
| 8:30   | - | 9:00  | Registration                                   |                             |
| 9:00   | - | 9:15  | Welcome speech                                 | <b>Nj. Jojić</b>            |
|  |   |       | Program and the objective of the Workshop      |                             |
| <b>WHAT IF MY PATIENT DOES NOT RESPOND TO CONVENTIONAL THERAPY?</b>    |   |       |  |                             |
| 9:15   | - | 9:30  | - 5-ASA medicaments                            | <b>A. Sokić Milutinović</b> |
| 9:30   | - | 9:45  | - Corticosteroids                              | <b>S. Čavka</b>             |
| 9:45   | - | 10:00 | - Immunomodulators                             | <b>B. Protić</b>            |
| 10:00  | - | 10:15 | - Anti-TNF therapy                             | <b>D. Tarabar</b>           |
| 10:15  | - | 10:30 | Discussion                                     |                             |
| 10:30  | - | 11:00 | <b>Coffee break</b>                            |                             |
| <b>OPTIMIZATION OF BIOLOGICAL TREATMENT</b>                            |   |       |  |                             |
| 11:00  | - | 11:20 | - How to achieve the maximum response?         | <b>Y. Chowers</b>           |
| 11:20  | - | 11:40 | - How to estimate the loss of response?        | <b>Y. Chowers</b>           |
| 11:40  | - | 12:00 | Discussion                                     |                             |
| 12:00  | - | 13:30 | <b>Lunch break</b>                             |                             |
| <b>HOW TO MANAGE PATIENTS WITH CHRONIC IBD?</b>                        |   |       |  |                             |
| 13:30  | - | 13:45 | - How to monitor the patient's serology?       | <b>D. Mijač</b>             |
| 13:45  | - | 14:00 | - How to monitor the patient's fecal markers?  | <b>D. Gligorijevic</b>      |
| 14:00  | - | 14:15 | - How to assess patient endoscopy?             | <b>S. Đuranović</b>         |
| 14:15  | - | 14:35 | - How to prevent complications of the disease? | <b>I. Ferkolj</b>           |
| 14:35  | - | 14:50 | Discussion                                     |                             |
| 14:50  | - | 15:20 | <b>Coffee break</b>                            |                             |
| <b>EXTRAIESTINAL MANIFESTATIONS OF IBD</b>                             |   |       |  |                             |
| 15:20  | - | 15:35 | - When is it a disease?                        | <b>P. Dugalić</b>           |
| 15:35  | - | 15:50 | - When is it the consequences of treatment?    | <b>M. Basara</b>            |
| 15:50  | - | 16:00 | Discussion                                     |                             |
| <b>NEUROLOGICAL AND CUTANEOUS MANIFESTATIONS OF IBD (CASE REPORTS)</b> |   |       |  |                             |
| 16:00  | - | 16:15 | Case report 1                                  | <b>Ivana Cabric</b>         |
| 16:15  | - | 16:30 | Case report 2                                  | <b>Zoran Milenkovic</b>     |
| 16:30  | - | 16:45 | Case report 3                                  | <b>Brigita Smolovic</b>     |
| 16:45  | - | 17:00 | Case report 4                                  | <b>Olgica Latinovic</b>     |
| 17:00  | - | 17:15 | Discussion                                     |                             |
| 17:15  | - | 17:30 | Evaluation test Closing remarks                |                             |
